### **Statement of Responsible purchasing & Compliance – The Print Centre**

The EU Timber Regulation 955/2010 is legislation (March 2013) that prohibits the importation and trade of illegally logged timber and timber products within the EU. We are committed to purchasing all timber from legal sources and seek evidence of compliance from suppliers that they are operating in accordance with the laws of their country.

We do not import paper directly.

To lower risk further, we have an active policy to purchase FSC<sup>®</sup> certified paper where possible and are members of FSC scheme since 2011

We are subjected to annual third-party assessment, conduct our own internal audits

We consider both FSC as a credible certification schemes for paper supply in those countries where good governance and forest regulation support sustainable forestry.

We welcome participation of customer audits and will provide designated authorities access to all required information.

Therefore, with The Print Centre purchases being EUTR compliant, our products can be purchased with confidence and provide peace of mind.
