Discover Your Potential.

OUR MISSION:

Working to make you look good.

At TPC, we're mad about print and printing, obsessed with producing work of the highest quality, on time, day in, day out.

We also have this wild idea that if you look after your customers really well, by giving them the kind of services they want, keeping the prices affordable, it helps.

We've been this way for more than 40 years and strangely it seems to have helped us grow. It has attracted some of the most talented and able print professionals to our team. It has developed our reputation for reliability, integrity and delivery. And, it appears to have impressed our growing list of customers; some have been with us for many years and seem to be as crazy about us as we are about them.

YOU NEED YOUR COMPANY AMBASSADOR:
It's a big world out there.

A corporate brochure is a company's ambassador to the outside world. Get it right and it can be a highly effective business generator. Yours should provide all the necessary information about your company and its benefits. It will colour the way potential customers or clients think and feel about your business, it's vital to get the look completely right.

We can assist throughout the process, working with you, understanding your message fully and translating your ambitions into a hardworking and accurate piece of marketing material.

IDEAL TOOLS FOR:

Driving your business forward.

Folders, leaflets and mailers.

These can be produced quickly and economically for promotions or to respond to changes in the marketplace. We can guide you through the different sizes, papers and numerous finishing options available.
We can help you with the copy, design and artwork too.

YOU NEVER GET A SECOND CHANCE TO:

Make a great first impression.

Your bespoke stationery where first impressions usually start.

We can help you design and create the perfect bespoke stationery. A full range of letterheads, continuation sheets, compliment slips and business cards. We can advise you on choices of stock, colours and printing techniques to produce a result that is unique to you and your business.

DIRECT MAIL:

Fulfilment & variable Data print.

Brochures and leaflets can only begin to work when they arrive in front of the people who need to see them. At TPC we'll take care of the whole operation.

Our highly effective mailing, fulfilment and postage services can save you a great deal of time and money at every level.

TPC can handle any project from small databases up to high volume mass mailings.

Web to Print

The TPC Web-to-Print platform is the perfect way to save time and effort whilst managing your Print and Artwork assets which are also available to you via your dedicated online ordering system.

You can order reprints, create variable data items and manage distribution of items already printed. Stock levels are automatically updated as you complete your transaction. Personalisation of the site and URL is also available on request. No set up charges or monthly fees makes the TPC Web-to-Print portal a must have asset for your business.

OUR INVESTMENT:

ColorHub software.

Our investment in ColorHub software makes us one of the handful of printers that can enhance print on uncoated paper stock.

ColorHub is a unique PDF colour management server that enables hard proof to press consistency on both uncoated and coated paper.

Main Benefits of ColorHub:

- Standardised output PDF's
- Optimised colour separation
- Enhanced colours
- Hard Proof to Press match

WE'RE DOING OUR BIT:

Committed to minimising our environmental impact.

To achieve this, the company will strive to continually improve best practice in relation to all areas of operations impacting upon the environment.

Examples include:

- Printing with soya based inks.
- Printing on recycled or FSC® certified papers whenever possible.
- Using chemical free processes in our pre-press department.
- Managing waste by reducing, recycling and reusing.
- Reducing the amount of energy used in production, heat, light, and deliveries.
- Training employees in environmental issues.

TPC has FSC certification, which entitles us to use the FSC logo on printed material that is FSC approved and thus creates a chain of custody back to the trees and forest that the paper is manufactured from.

Forest Stewardship Council® (FSC) is an international organisation that invites participation by all stakeholder groups at a global as well as national level, whose mission is to promote environmentally appropriate, socially beneficial and economically viable management of the world's forests. More information about FSC is available at www.fsc.org

Wherever practical we will encourage our suppliers, customers and staff to join with us in reducing the effect we all have on the environment.
